**MINUTES FOR POPLAR RIDGE
MONTHLY MEETING FOR BUSINESS
OCTOBER 20, 2019**

Gather: present were: Sally Otis, Jim Frisch, Christopher Sammond, Paul Simkin, Jane Simkin, Barry Kahn, Ruth Bradley, Claire Howard, Charlie Weld, Suzanne O'Hara, Dill Otis, Stephanie Nelson, Linda Simkin, Hannah Richter, Andy Simkin, Howard Nelson

September minutes were read. Name corrections: Phyllis Bunker (not Glover); Sally Otis was present but not listed.

Treasurer's report: Ruth reported that we've spent \$31,791 (68%) of our budgeted amount for the year. \$21,695 received so far in contributions (46.5%). The annual fund-raising letter will go out at the beginning of November. Finance Committee met this week and expects to have a draft budget for 2020 to bring to the November Business Meeting. Committees should be in touch with Ruth or Andy, Clerk of Finance Committee, if they anticipate a change in their budget needs for the coming year.

Andy reported that the Finance Committee met and suggests we consider placing \$30,000 of our total cash assets in an interest-bearing account, possibly a money market account or a certificate of deposit. More research will be done to make sure the kind of investment is acceptable and the institution chosen is reputable. He asks for approval for the Finance Committee to go forward with research and make the investment. Friends Fiduciary and Capitol One were suggested as other possible investment mechanisms. Finding a local institution was also suggested. It was also suggested that we might increase the percentage of money invested as time goes on. The request was approved.

Garden Committee: Ruth reported the committee met and decided to request a dedicated fund. Hannah gave personal testimony about past experience with a memorial garden not being well maintained. She feels it would prudent to make provision for maintaining our own garden on into the future. Proposal was brought to Finance Committee. It was discussed at some length in both committees. There was concern about funds being needed for other expenses, and that the garden should be a line item in the general budget. Ruth said that the meditation garden has been

meaningful to some, but not all. She asks that we begin discernment about how to proceed. Hannah spoke on her vision of the project, which includes soliciting funds from within and outside the meeting. There was some discussion about the importance of the garden, volunteer vs. professional maintenance, and the consideration of competing humanitarian needs. Discussion will continue.

Ministry & Counsel: Charlie reported no items needing attention today. He mentioned that the adult study group has begun and the first session was well attended. Also, the committee has begun the annual review process with Craig Kukuk, A.T. Miller, and Rebecca Schillenback.

Barry asked permission to park his trailer in the meeting lot. Dill offered his place as an alternative. Meeting felt it would be preferable to park at the Otis's' to save space in the meeting lot. This was agreed upon.

Charlie requested use of the meeting house for Shepherd's Play rehearsal and performance in coming weeks. Approved.

Alternative Pathways to Membership: We pick up a discussion from the June meeting. Hannah read aloud our statement drafted at that time. She asked Christopher to review threshing sessions on the issue at NYYM Summer Sessions. He spoke on difficulties expressed by younger people around membership in monthly meetings, which made him feel more open to alternative pathways, though he still has questions. Many agreed that there was too much time pressure regarding providing input. There was extended

discussion. Hannah in consultation with Christopher and Phyllis will draft a letter asking that no final action be taken at Fall Sessions. Phyllis will be attending, possibly along with others from PRMM. It was noted that financial support for attending is available.

Next Business Meeting will be on Nov. 17; Christopher will lead the meeting as Hannah will be away.

Building Committee: Andy reported that back entry work will soon be finished. He is procuring snow guards for the east side of the building. Hannah asked that miscellaneous items from the construction project be removed from the kitchen. Dill said he will be doing some backfilling in the parking lot area.

Meeting closed with some silence.

Respectfully submitted,
Howard Nelson, Recording Clerk

MOVIE NIGHT – BEFORE THE FLOOD

Peace and Social Action will be showing the movie *Before the Flood* on November 15th at 7:30 in the Meetinghouse.

If you could know the truth about the threat of climate change — would you want to know? Before the Flood, presented by National Geographic, features Leonardo DiCaprio on a journey as a United Nations Messenger of Peace, traveling to five continents and the Arctic to witness climate change firsthand. He goes on expeditions with scientists uncovering the reality of climate change and meets with political leaders fighting against inaction. He also discovers a calculated disinformation campaign orchestrated by powerful special interests working to confuse the public about the urgency of the growing climate crisis. With unprecedented access to thought leaders around the world, DiCaprio searches for hope in a rising tide of catastrophic news.
